28. Is there any safety information I should bear in mind?

AN IMPORTANT SAFETY MESSAGE

PLEASE plan your event with safety in mind. The following points may help:

- We have tried to ensure that you will be able to reach your chosen spectator viewing area without walking on the special stage. If you decide to leave the stage prior to the last competitor, PLEASE ensure that you walk on the pathways or behind the tree line. All the competitors will be travelling at high speeds and spectators are strongly advised NOT to walk on the rally route.
- All spectators are reminded that motorsport can be dangerous and despite us taking all

reasonable precautions, unavoidable accidents can happen. In respect of these, you are present at your own risk.

- We ask that you obey all instructions of safety marshals, spectator marshals and police officers in relation to your safety and that of others.
- Please be aware that the weather at the time of the event can be wet and extremely cold especially for the early morning and late afternoon stages. Please make sure you dress accordingly. If you are thinking of attending the Cardiff Bay stage or any other exposed area of the event, it is worth wearing a water and wind proof jacket so that you can really enjoy the spectacle. As some of you may be arriving or departing in the dark, please remember to bring a torch with you. Also remember to wear sturdy footwear for typical forest conditions.
- No dogs allowed on the event - disabled assistance dogs only.
- Children and infants should ALWAYS be accompanied by an adequate amount of adults at all times who are responsible for their behaviour and safety.

SPECTATOR CODE OF CONDUCT

- Please be considerate to other spectators to ensure everyone can enjoy the event.
- Listen to the marshals – they are there to help you and ensure the event runs within the safety guidelines prescribed by the FIA and the MSA, the governing body of UK Motor Sport.
- Marshals and officials have the right to work without being abused or threatened. Abusive, threatening or violent behaviour towards officials (who are all volunteers) will not be tolerated and spectators will be evicted from the event.
- Please take all litter home with you or place it in the skips or black bags provided for this purpose.
- Do not light fires or barbeques. They can cause major fires with serious consequences.
- Do not bring fireworks to the event. They are very dangerous and could cause a serious incident with either other spectators or the competitors.
- Much of the Rally takes place in areas containing significant agricultural, forestry and nature conservation interests. Please follow the Countryside Code at all times.
- Consider your own safety and that of others at all time.
